

The teachers2parents App brings together all the communications you receive from your child's school via teachers2parents and schoolmoney into one simple, easy to use app.

Primate Dixon uses the teachers2parents system to keep you up to date with school information. All you have to do is download the teachers2parents app from the app store or google play for your Android device, follow the steps to sync our school, Primate Dixon Primary School, 4 School Lane, Coalisland, BT71 4NW

The teachers2parents messaging platform allows you to;

- View all your messages from the school in the message feed.
- Have term dates at your fingertips with the Term Calendar section.
- Keep up-to-date with the latest news and events via the noticeboard.

The schoolmoney system is located within the teachers2parents app and is used to manage parent payments online, you will be able to;

- Make payments for dinners
- View transactions & booking history

To be able to successfully use the app, our school must have an up-to-date telephone number and email address for a parent/guardian.

If you have any further queries about registering for schoolmoney or have any difficulty please contact us here in school.
